Subject: Addition of Training Manual Addition to the Stormwater Pollution Prevention Plan, Tar Sands Holdings II, Asphalt Ridge 2 Mine M/047/0032, Uintah County, Utah

Dear Mr. Baugh:

Thank you for providing the Division of Oil, Gas and Mining with the training manual as part of the Storm Water Pollution Prevention Plan. The Division has also received a revised page for the Notice of Intention to Commence Large Mining Operations (Notice) referencing the training manual. The Division approves the revised page and accepts the training manual as part of the Notice. The replacement pages have been incorporated in the Notice, and stamped pages are included with this letter for incorporation into your copy of the Notice.

As part of the abatement activities noted in Notice of Violation MN-2015-60-2 issued on May 28, 2015, a hydrologic design plan update to the Notice for the regular maintenance of diversions, culverts, and catchment ponds on the permit area is due August 1, 2015. Thank you for keeping the Division updated with regard to your mining operations.

Sincerely,

Paul B. Baker
Minerals Program Manager
